

```
@IBDesignable class AwesomeView: UIView {  
    @IBInspectable var cornerRadius: CGFloat = 0 {  
        didSet {  
            layer.cornerRadius = cornerRadius  
        }  
    }  
}
```

```
@IBDesignable class AwesomeImageView: UIImageView {  
    @IBInspectable var cornerRadius: CGFloat = 0 {  
        didSet {  
            layer.cornerRadius = cornerRadius  
        }  
    }  
}
```

```
@IBDesignable class AwesomeButton: UIButton {  
    @IBInspectable var cornerRadius: CGFloat = 0 {  
        didSet {  
            layer.cornerRadius = cornerRadius  
        }  
    }  
}
```
