```swift
public extension Animatable where Self: UIView {
  public func configureAnimatableProperties() {
    // Apply default values
    if duration.isNaN {
      duration = 0.7
    }
    if delay.isNaN {
      delay = 0
    }
    if damping.isNaN {
      damping = 0.7
    }
    if velocity.isNaN {
      velocity = 0.7
    }
    if force.isNaN {
      force = 1
    }
  }
}
```
